# Loosies

## Sandwiches

- Loosie** \$4.25  
*Our signature sandwich... loose meat ground beef seasoned perfectly and served on a bun. A-la-cart condiments include cheese (25 cents extra) ketchup, mustard, onion, and pickles.*
- Mega Loosie** \$5.50  
*Our Mega Loosie is the same delicious sandwich as the regular Loosie but on a larger 5" bun. Same ingredients as the Loosie, but more suitable for a robust appetite.*
- Hot Dog** \$3.85  
*The hot dog at Loosies is not microwaved or boiled in water. We start with a quarter pound, all-beef dog, split it lengthwise and cook on a flattop grill. The skin has a distinct and juicy pop when you bite into it and cooking it this way seals in the flavor, which is enhanced by adding any or all condiments.*
- Chili Dog** \$5.50  
*Loosies Chili Dog joins the best of two menu items, our quarter-pound all-beef hot dog and our savory chili that has just a slight kick that accentuates the combination of the two flavors. Add grated cheese, onions, or other condiments to complete this substantial meal.*
- No-Bun Loosie** \$4.25  
*Just like a regular Loosie, but without the bun and with some additional meat. Your choice of condiments also.*
- No-Bun Mega Loosie** \$5.50  
*Just like a regular Loosie, but without the bun and with the same amount of additional meat in the Mega. Your choice of condiments also.*
- Egg and Cheese** \$2.95  
*An egg cooked on our flattop grill with a slice of American cheese melted over the top, placed on a hamburger bun with your choice of condiments.*
- Grilled Pork Tenderloin** \$5.50  
*Hand cut 5+ounce lightly seasoned choice pork tenderloin grilled on the flat top, served on our Loosie bun with your choice of condiments.*
